S I R:

In response to the Office Action requiring restriction and species election mailed September 1, 2005, the Applicant elects without traverse the Group I claims (claims 1-16). In addition, the Applicant was required to elect a single species for prosecution and to identify claims reading upon the elected species. The Applicant hereby elects the species "A" suggested by the Examiner, a method of embossing a film without a carrier film. Claims 1-8 read upon a method of embossing a film without the limitation that a carrier film be present.

Amendments to the claims begin on page 2 of this paper.

Remarks begin on page 6 of this paper.
